FUARDIZAYN

■ **Integrated Solutions In Our Nature...**

■ We can serve you turnkey project solutions with the entire exhibition stand and display equipments from a single point, without any special knowledge or effort with the details. This is a part of our integrated solutions.

Fuar Dizayn provides advantage of the design and manufacturing services to achieve under the same roof with the professional teams and equipments.

■ If Manufacturing Is Standard, Attention To Each Detail In Our Nature...

■ Standard Stand

Exhibition and congress organizations needs regulating the company that made analysis of field and technical services. The most important feature of a "Standard Stand" is it can quickly assembly & rich variety of materials and quantity. This work done every day by professional team, applied with care as being done for the first time.

"Standard Stand" is an integrated suite of solutions. According to the demand of the installation of the stands, as well as rental furniture, flooring, lighting, cleaning services as may be included in the package a wide selection of Standard Stand. In line with the company's preference, white panels, color alternatives, pediment or roof space can be provided in alternative models.

■ Making Speed With Out Flying In Our Nature...

■ D System

Individual or corporate, Modular "D System" is the most economical and practical demand (shelf, rack, showcase, podium, etc.). Easy to produce solutions, as well as the assembly of the system quickly brings the advantage.

Shapes, colors and materials with a variety of "D System" can also be performed with the double-deck stands. Serving a wide range of materials with stock "D System" offers stunning designs, low-budget solutions to customers.

■ **Being Imposing & Seem To Be Easy In Our Nature...**

■ **F System**

"F System" is another modular system demand for individual or corporate customer's expectations. "F System" is more imposing and impressive than other modular systems. Easy to integrate with different material alternatives and allow the creation of larger advertising surface because of the high demand recognition of system.

Practical installation in stand design, able to build double-deck stands. "F System" provides high visibility and consequently that will allow to be a fascinating target.

■ Getting Long Distances With Limited Foots In Our Nature...

■ Truss System

"Truss Systems" is in size 30 cm x 30 cm, made of aluminum columns and beams stand system. Great feature, especially in a few numbers of columns that allows long distances to be passed. It's a demand of machinery, automotive, industry That allows the display of products. "Truss System" can be integrated to other modular systems easily that allows a visual feast.

■ Being Idol In Our Nature...

■ Custom Built Stand

Differentiation, a prerequisite for distinguishing counting, as well as visual functioning is indispensable for those who know the brand of choice is "Custom Built". FuarDizayn provides applying a specially designed turnkey stands, without dealing a detail. We're bringing in to existence your participation to exhibition.

Your dreams can identify boundaries in "Custom Built". Whether a single layer or double deck, millions of colors, with a choice of hundreds of materials to transform an ordinary exhibition to a visual feast, in your hand & of course in our hand ...

FUARDIZAYN

■ Of course, not easy, complex, very detailed, which could be called vulgar after manufacturing, to caress the soul, to reveal a product to be filled out. Especially if you have a time constraint ... it's not a thing that we had witness yet! We can present our business inextricable & alarmist but we have **professionalism is in our nature...**

Integrated structure, system, organization, team, experience, perseverance, capacity, speed, manufacturing strength, design, iron workshop, wood workshop, furniture, paint shop, logistics services etc.

If we add our sister Companies to this success, been able to grow in its own include, about indoor, outdoor and digital printing applications "Gosteri Sergi Urunleri" about gifts and promotional products "Gosteri Promosyon" about display equipment and wholesale to a different dimension with E-Commerce company "Gosteri Market" | **The fact that success comes from our nature.**
